Subject: 2006 FSAFEDS

The FSAFEDS Open Season runs from November 14 - December 12, 2005. Be sure to enroll during the 2006 Open Season, November 14 through December 12.

Several enhancements that FSAFEDS have made to its program are:

- 1) Implemented the full 2 ½ month grace period for incurring eligible expenses. Visit FSAFEDS (https://www.fsafeds.com/fsafeds/FSA_grace_period_faq.asp) to learn more.
- 2) Extended the claims filing deadline to May 31, and
- 3) Increased the annual Health Care FSA maximum for 2006 to \$5,000.

This is an exciting, money-saving time. The grace period along with the extended filing deadline and increased Health Care FSA maximum make the FSAFEDS Program more valuable than ever. To learn more, visit [www.FSAFEDS.com](https://www.FSAFEDS.com/fsafeds/index.asp) (<https://www.FSAFEDS.com/fsafeds/index.asp>).

Did you know that an FSAFEDS Health Care account covers over-the-counter expenses like aspirin, cold medicine, band-aids, sunscreen and contact lens solution?

You can use a Health Care account to pay for specific medical expenses such as prescription medicine and doctor co-payments, and also many everyday, over-the-counter items that help keep you and your family healthy.

Please click on this link https://www.fsafeds.com/forms/OTC_QRG000.pdf to view a detailed list of eligible Over-the-Counter Medicines and Products.

FSAFEDS look forward to processing your 2006 Health Care and/or Dependent Care expenses! But you have to play to win - ENROLL during Open Season!

Attention Current 2005 Enrollees: If you want to participate in 2006 you **MUST RE-ENROLL**. Enrollments do **NOT** carry forward year-to-year. See www.FSAFEDS.com (<https://www.FSAFEDS.com/fsafeds/index.asp>).
